A person with their back to the camera, wearing a black leather jacket and a black scarf with white polka dots. They are looking down a city street at night. The street is illuminated by warm, yellowish lights, possibly from street lamps or buildings. The background is slightly blurred, showing the outlines of buildings and other street elements.

# ALGORITHM FOR SAFETY AND DISTANCE OPTIMIZATION ON ROUTES IN MEDELLÍN

**Sharif Velásquez**  
Investigator  
algorithms
